PROPOSED WORK:
<p>The Applicant proposes to paint the exterior of the house Sherwin Williams Downing Slate and repaint all existing trim white (to match the existing white color). The house is currently Sherwin Williams Tres Naturale (a tan/beige). The painting will include the preparation of all surfaces, to be power washed and sanded/repainted as needed. The front railings will be washed, scraped and sanded prior to painting. All surfaces (siding, railings balusters, columns, trim) will be primed and then painted. The window muntins will be caulked and repainted white. The cedar shakes in the gable will remain as-is, a light gray color.</p> <p>The front door is original to the home and will remain as is, which is stained wood. The front porch floor boards are a stained mahogany and will remain as-is. The existing garage will not be painted at this time, as it is not structurally sound and the Applicant is trying to determine next steps with this building.</p>

COMPLIANCE WITH GUIDELINES:
<p>The Executive Secretary has determined that the proposed work is considered a minor alteration and is consistent with the Guidelines as referenced below.</p> <p>Chapter 6.N: Rehabilitation and Maintenance of Existing Structures; Colors and Painting</p> <ol style="list-style-type: none">1) Use colors appropriate to the period and style of the building2) Use colors that are generally compatible with (and do not clash with) the colors used in the district, particularly on neighboring buildings. On attached buildings, use the same colors or a coordinated color scheme whenever possible. In general, use calm or subdued colors, reserving bright colors for small, important details, such as doors or trim.

COMPLIANCE WITH COUNTY CODE SECTION 20.112 FOR TAX CREDIT PRE-APPROVAL:

Part 1: General Application for Certificate of Approval

ALL APPLICATIONS MUST INCLUDE: The information required in this checklist must be provided or the application will be incomplete and may be rejected for consideration by the Commission. Please check each box below to confirm you have provided this information.

- ☒ Labeled, color photographs of existing property conditions, printed on 8.5x11 paper, no more than two images per page. Do not submit individual 4x6 photographs.
- ☒ A detailed description of the proposed work (include below or provide on a separate sheet of paper if more space is needed— do not add proposed work into the Guidelines justification section).
- ☒ Product specification sheets/photographs of product that clearly shows materials, colors, and dimensions.
- ☐ Plot plan of property, site plans, or elevations (as applicable to proposal; but required for any new construction).
- ☐ For major alterations: elevation drawings of proposed structure indicating dimensions, design, height, color, and materials. Product spec sheets are required for all new elements.
- ☐ A completed Part 2 of this application (page 3-4). Application may be rejected if not complete. If Part 2 is not suitable for your project, please type up a detailed explanation on a separate piece of paper.
- ☐ A completed Part 3 of this application (page 5) if you seek tax credits for any work.
- ☐ A completed Part 4 of this application (page 5). If the owner is not the applicant, the owner's signature is also required.
- ☒ I have read the Ellicott City or Lawyers Hill Design Guidelines and find my proposal complies with the recommendations in the Guidelines, as indicated below.

DESCRIPTION OF PROPOSAL: If more room is required, please provide write up on a separate sheet of paper to best organize proposed work. Continue to Part 2 (page 3-5) to complete required checklists.

We would like to repaint the exterior of our ca. 1910 home. We propose a new color called 'Downing Slate.' (Sherwin color sample included in this application, in conjunction with photos of houses painted this color). We believe this color to be historically accurate. We also believe that it will present a nice contrast between the First Evangelical Lutheran Church (3761 Church Road), which is currently a butter yellow, and Angelo's Castle (3749 Church), which is a cream colored stucco. All trim, columns railings and balusters will remain white, and all will get a fresh coat of white paint. We would like to keep the pointed gable at the top of the house the same light grey that appears currently. The property does contain a detached garage/carriage house. This structure is likely not original, based on its cinderblock construction. Over the past decade, it has shifted significantly, and its concrete slab is currently cracked in half. We have also noticed a huge crack/separation at the back of the structure. We sit on a steep hill, and we worry that this garage is essentially falling down the hill. We do not wish to paint it at this point in time. We will circle back to the HPC for advice should we wish to demolish it.

DESIGN GUIDELINES: Consult the Ellicott City or Lawyers Hill Design Guidelines on the Howard County website at <https://www.howardcountymd.gov/Departments/Planning-and-Zoning/Conservation-and-Preservation/Historic> and provide a brief description of how the proposal meets the recommendations of the Guidelines, including the applicable chapter and section. Please type up on a separate sheet of paper if more space is needed.

Part 3: Historic Property Tax Credits

Historic Property Tax Credits 20.112 and 20.113 Eligibility Requirements

Please check the appropriate box:

In accordance with Sections 16.606, 20.112 and 20.113 of the Howard County Code, I request the pre-approval of eligible work to qualify for property tax credits for the following preservation and restoration work:

- ☐ A structure listed on (or eligible for inclusion in) the Howard County Historic Sites Inventory and is designated by the Commission as historically significant.
- ☒ An existing principal structure or historic outbuilding located within a local historic district in Howard County, which is determined by the Commission to be of historic or architectural significance, or to be architecturally compatible with the historic structures in the district .
- ☐ A landscape feature located within a local historic district or listed on the Historic Sites Inventory, which is determined by the Commission to be of historic or architectural significance.
- ☐ A cemetery, at least 50 years old, not operated as a business, which is listed on the Howard County Cemetery and Gravesites Inventory under Section 16.1303 of the County Code.

Please Note: There is a separate application for final tax credit approval. Copies of cancelled checks, receipts and paid invoices are required for final approval. Invoices should be itemized to separate repairs to the items pre-approved from those that are not eligible for the tax credit.

Part 4: Authorizing Signature to Submit Application:

I hereby certify by the below signatures(s) that the information supplied herewith is correct and complete and authorizes such periodic on-site inspections by the Department of Planning and Zoning and its agents as may be necessary to review this application and any petitions filed in connection herewith and to enforce the Historic District Guidelines and other applicable laws. This right-of-entry shall continue until all administrative appeals pertaining to the property have been exhausted. I have read and understand the above terms regarding the Historic Property Tax Credit Programs.

SIGNATURE(S):

If the Applicant is not the owner of the subject property, the owner’s signature authorizing the proposed work is required .

PART I. Description of Proposal (Continued)

We would also like to provide an overview of how we will prepare various surfaces. All house facades will be power washed and sanded as needed prior to painting. Front railings will be washed, scraped and sanded prior to painting. All surfaces (house facades, railings, balusters, columns, trim) will be primed prior to painting. Window muntins will be caulked and repainted as well. Our front door is original to the structure of the home; it will remain as is (which is a simple stain and polyurethane combination). The front porch floor boards are currently a stained mahogany; the porch will remain as is. (These mahogany floor boards were installed roughly a decade ago, replacing a crumbling concrete slab that served as the front porch prior).

Photo of right-hand side of 3757 Church Road. Shows modern addition, which will also be painted the same color. This photo also shows the color of 3761 Church Road (yellow church). This photo captures peeling trim, which will be painted a classic white. The current core exterior color is Tres Naturale (by Sherwin Williams). The original color of the house is uncertain, though we do know that the white asbestos shingles covered the house from sometime in the 1930's (?) until we repainted them in approximately 2010. Front façade of house has been restored to original Dutch lap siding (though it was so rotted when uncovered the original wood we couldn't discern its color).

Proposed new color: Downing Slate. Cedar shakes in the gable will remain the same lighter color gray.
